INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(I) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,

EASTERN CHEROKEE ENROLLMENT,

601 OURAY BUILDING,

WASHINGTON, D. C.

January 29, 1908.

Elvin P. Dempsey,
Talking Rock, Ga.

Sir:

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, did your grandfather, Moses Dempsey, ever live with the Eastern Cherokee tribe of Indians? If so, state when and where, and inform us why he was not enrolled with it in 1851.

If your parents or grandparents on either side were slaves, please state whether they were slaves of Indians or white people.

Very respectfully,

Special Commissioner.

CHB/ALS

#11307 - 11302 Miscel.

Margaret C. Garrett being first duly sworn, deposes and says:

That I am 60 years of age and live in Pickens Co., Ga. I claim through my father. My mother was a white woman. My father's father was the Indian. All the rest of my grandparents were white. My father was born and raised in S. C. near Charleston. My father's father was born and raised there too. My grandfather did not come to this country, but my father came here when I was about ten years old. I don't know whether my father or grandfather ever lived with the Indians as members of the tribe. They lived among the Indians but not after they came to Georgia. My father claims 1/2 Cherokee. Don't know whether my father or his father were ever on any roll. I nor my father never received anything from the government. People regard me as white with some Indian blood. They all know that I have some Indian blood. My husband is a white man.

Cynthia M. Sutherland, after being first duly sworn, deposes and says:

I am 64 years of age; I claim my Indian blood through my mother. I have never received any Indian money from the government and I never heard my mother say if she received any. She lived right where the Indians lived when they were carried away. ~~I have never tried to get any credit on account of the blood.~~ I tried to get land in the Territory but it was too late. None of my people that I know of ever received any Indian money. My grandfather lived in McDowell County, N.C. He was the Indian and his name was John Hunter. It seems to me I remember hearing of a government agent throughout this part of the country about twenty years ago taking the names of people of Indian blood.

Jasper, Ga. Aug. 12, 1908.

Mr. Guion Miller,

Washington, D. C.

Dear Sir:

In regard to application No. 11320-10532 and in replying to your letter of July 28, 1908 I desire to state that, your letter of July 9, 1908 did not reach me in time for me to meet Mr. Ryan in Jasper and that was the reason I failed to be there. I understand that Lawyers Sharp & Sharp of Rome notified Mr. Dred P. Poole that the commissioners would be in Jasper and ask him to be present. And Mr. Poole did go to Jasper and saw Col. Ryan, but Mr. Ryan told him that he would not take the testimony in any case unless the party had received notice to be there. Mr. Poole is a kinsman of mine and gets his Indian through the same ancestor from whom I get my Indian blood. My failure to get the letter in time accounts for my failing to be in Jasper on the day requested to be there.

Replying to the questions in your letter of July 28, 1908 I will give such information as I am able to give.

I. I claim Indian blood through my mother Parthena C. Prather who was the daughter of Martha Poole and Martha Poole was the daughter of a Cherokee Indian by the name of Burton that being the Christian name of my grand-mother before she married. I do not know what the Indians called her my impression is that my mother was borned in what is now the County of Forsyth in Ga. and yet I can not be absolutely certain. I have ~~it~~ heard that the Cherokee Indians called my grand-mother Alberda and that they also called her Bird.

In 1835 to 1838 my grand-mother Martha Poole was then married and was living among the Cherokee Indians with her husband who was a white man.

2. I am recognized as a white man in the community in which I live and yet the people generally know that I am mixed with Cherokee Indian blood.

3. My grand-mother Martha Poole nee Burton lived as I understand with the Cherokee Indians before she married as a menber of the tribe and they recognized her to belong to their tribe even after she married my grand-father. I do not know where she was living prior to her marriage but think it was in the Cherokee Indian nation in the northern part of Ga. and possibly some place near the present County of Forsyth.

4. I was never enrolled as a Cherokee Indian and am unable to state whether any of my ancestors were enrolled or not. But I have heard it said that my Aunt whose Christian name was Jane Justice was enrolled as a Cherokee Indian. She was a daughter of Martha Poole .

Very respectfully,

his

Warren W. Prather,
Marble Hill, Ga.

Sir:-

You were notified to appear at Jasper, Ga. on July 9, 1908 before my assistant, Frank D. Ryan, and produce additional testimony in the matter of your application to participate in the judgment arising from the Court of Claims in favor of the Eastern Cherokees. You failed to appear or produce any witnesses, and as we will not be in your section of the country again for the purpose of taking testimony, it will be absolutely necessary for you to answer each of the following questions. If you cannot answer any of the given questions, state why, that we may know it has not escaped your notice.

1. As near as possible, name the county and state where each ancestor who was descended from Indians, was born and raised, and if they resided in more than one place, so designate, also state when they resided in each.

2. How are you recognized at the present time in the community in which you live? That is, are you considered white, colored or Indian? If colored, were you or any of your ancestors ever held as slaves, either by white people or Indians?

3. Did you or any of your ancestors ever reside with any tribe of Indians as recognized members of the tribe? (If you answer Question 3 in the affirmative, give the name of each ancestor who lived with the Indians, state when and where they lived with them, and give the name of the tribe).

4. Were you or any of your ancestors ever on any Indian roll? (If you answer "Yes" to Question 4, state on what roll your or their name appears, and the various names under which you or they have been enrolled).

Very respectfully,

Special Commissioner.

I am acquainted with Dread P. Pool the applicant and have known him for 30 yeras. He is the son of John Pool who was the son of Martha Burton who married a Pool. I was acquainted with John Pool and Martha Pool during their life time and knew that they were each recognized by the Cherokee Indains as Cherokee Indians-I also know that they had Cherokee Indian blood and that they were mixed blood being part Cherokee Indians and the other part Caucasian and I also know that none of these parties were ever held as slaves.

I remember that I have seen quite a number of Cherokee Indains and I knew the features and the characteristic marks of the P Cherokee Indains and I know that John Pool the father of Dred-Pool was a descendant of the cherokee Indians,and that he and his brother both had long black course hair ,and high cheek bones and resembled the Cherokee Indians very much. Testimony in case of Martin V. Beck #11341.

Lorenzo D. Davis being first duly sworn, deposes and says:

My name is Lorenzo D. Davis. I live at Dahlonega, Ga. I was born in 1855 in Lumpkin Co., Ga. My father's name was Lorenzo D. Davis. I had an uncle named Coleman J. Davis. My grandfather's name was Daniel Davis. I know Martin V. Beck. I know what was supposed to be his father. His name was Coleman J. Davis. I suppose he is a first cousin of mine. I never heard Coleman J. Davis say whether he acknowledged him as his child or not. Coleman J. Davis did not support these children as I know of. I only know from hearsay as to whether he recognized these children as his. Coleman D vis was living around here in my time. I knew him. He was living with his wife, Eliza Huff, in Lumpkin Co. (Huff was her maiden name) when I knew him. I never heard my f ther speak of Coleman D vis having these children, and have never heard anyone say anything to Coleman Davis about these children, or I never heard Coleman Davis say anything about it.

IN RE APPLICATIONS CLAIMING TO ROUGH ELIZA A. DOC[illegible]
AND COLEMAN J. DAVIS.

Group #1[illegible]

Applicants herein claim that they are the children and descendants of Eliza A. Doc[illegible] and Coleman J. Davis, son of Daniel Davis, but that the said Eliza A. Doc[illegible] and Coleman J. Davis were never married. They claim to inherit Cherokee blood from Coleman J. Davis. There is no claim that Eliza A. Doc[illegible] had Cherokee Indian blood. She was never enrolled. There is no substantial evidence to prove that the applicants herein are the children and descendants of Coleman J. Davis. None of the have ever been enrolled, and if they had been considered in 1[illegible], 1[illegible], or 1[illegible] as having Cherokee Indian blood from Coleman J. Davis they would have been enrolled by Chairman, by Clerk, or by Doctor, or by all three, as applicants were living at those dates in Counties and towns in which other persons, who were living there, were enrolled by those rolls, so that persons claiming to be descended from Coleman J. Davis and Eliza A. Doc, if applicants at those dates, were doubtless enrolled. For reasons set by the claims above mentioned and rejected.

Therefore, and in consideration of the premises, the applications of all persons claiming jointly through Eliza A. Doc[illegible] and Coleman J. Davis must be rejected.

IN RE APPLICANTS CLAIMING THROUGH ELMINA A. BECK

AND COLEMAN J. DAVIS.

Group #1134

Applicants herein claim that they are the children and descendants of Elmina A. Beck and Coleman J. Davis, son of Daniel Davis, but that the said Elmina A. Beck and Coleman J. Davis were never married. They claim to inherit Cherokee blood from Coleman J. Davis. There is no claim that Elmina A. Beck had Cherokee Indian blood. She was never enrolled. There is no substantial evidence to prove that the applicants herein are the children and descendants of Coleman J. Davis. None of them have ever been enrolled, and if they had been considered in 1851, 1880, or 1896 as having Cherokee Indian blood from Coleman J. Davis they would have been enrolled by Chapman, by Miller, or by Hester, or by all three, as applicants were living at these dates in Counties and towns in which other persons, who were living then, were enrolled by these Agents, so that persons claiming to be descended from Coleman J. Davis and Elmina A. Beck, if applicants at these dates, were doubtless considered for enrollment by the Agents above mentioned and rejected.

Therefore, and in consideration of the premises, the applications of all persons claiming jointly through Elmina A. Beck and Coleman J. Davis must be rejected.

I am 64 years of age; was born in Lumpkin County, Ga. and have lived in Georgia all my life. I claim Indian blood through my mother. I have never received any Indian money from the government and never tried to get any. My mother never received any Indian money from the government. Have heard my mother speak of the money paid to the Indians in 1852. My father was always opposed to our making any application for Indian money. I was not enrolled in 1880 by a government agent. My grandmother, Clara King was the Indian. I did not see her but once when I was small. My mother lived with the white people. I do not know if my grandmother lived with the Indians.

him all of his life. I knew Columbus Culbersen the father of applicant and know of Martin Culbersen the grandfather of James W. Culbersen and know that during the life time of Columbus Culbersen he Columbus Culbersen claimed to be part Cherokee Indian.

I know Mary Jane Culbersen the mother of James W. Culbersen and also knew Mrs. Susan Holland the mother of Mrs. Mary Jane Culbersen. I know that during the life time of Mrs. Susan Holland that she claimed to be of Cherokee Indian parentage and I know that she had Indian blood in her for I have seen Cherokee Indians and from my knowledge of the Cherokee Indians I can say that she was a mixed breed Cherokee Indian. The other blood was Caucasian and none of her ancestry were ever held as slaves as I became acquainted with her about the year 1857. Susan Holland then claimed to be part Cherokee Indian and she continued to claim Cherokee Indian blood until the time of her death about 1890 to the best of my knowledge.

Her eyes were dark gray; hair long straight, black and coarse; cheek bone was high and prominent; and her complexion was of copperish color. It has been a matter of family history, to my knowledge since 1857, that they were of Cherokee Indian parentage.

I knew John Posey commonly known as Biddy the brother of Susan Holland and he also was recognized generally as being of Cherokee Indian parentage.

GENERAL AFFIDAVIT.

State of Georgia **County of** Floyd. **ss.**

In the matter of the claim of James W. Culberson, No. 14610 to share in fund appropriated by Act of Congress of June 30, 1906 for Eastern Cherokee Indians

ON THIS 27th. day of December A. D. 1907, personally appeared before me, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, Mary Jane Culberson age years, a resident of Near Adairsville in the County of Bartow and State of Georgia well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:

[Note.—Affiants should state how they gain a knowledge of the facts to which they testify.]

I am the mother of James W. Culberson and have five more living children, to wit: Charles B., Columbus, John, Johnson P., and Susie Jeffries. They claim Cherokee Indian Blood just as I do and also claim Cherokee Indian blood through their father Columbus Culberson who was the son of Martin Culberson.

Columbus Culberson my husband had two brothers to wit: Calvin and John Culberson. I was married to Columbus Culberson in 1861 and he was then living in Bartow County, Georgia about six miles westerly from Adairsville, Georgia and he lived the rest of life in that neighborhood dying several years ago.

I knew that Columbus Culberson was part Cherokee Indian and it is matter of family history that Martin Culberson the father was at least a half breed Cherokee Indian. None of the Culbersons were ever held as slaves as far back as 1857-they being mixed blood with the Cherokee Indians and the Caucasian race.

As early as 1860 I heard Mrs. Seney Culberson the mother of Columbus Culberson tell of the family history of the Culbersons and she then stated that Martin Culberson the father of Columbus Culberson was a half breed Cherokee Indian.

Mrs. Arrena Peterson the wife of James Ballard Peterson who went to the Indian Territory about 1870-1880 and as I learn were recognized by the Cherokee Indians as Cherokee Indians and drew as such. They had to my knowledge five children Arrena, William, Sarah, Carmilla and John Peterson.

She Post Office address is Adairsville, Ga. R. F. D. No. 4

She further declares that she has no interest in said case and as mother is not concerned in its prosecution.

In the matter of the claim of Mary Jane Culberson # 11360 to share in fund appropriated by Act of Congress of June 30, 1906 in favor of the Eastern Cherokee Indians

ON THIS 27th. day of December A. D. 1907, personally appeared before me, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, Francis M. Westbrooks age 80 years, a resident of near Kingston in the County of Bartow and State of Georgia well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows:

I am well acquainted with the applicant having known her ever since

[Note.—Affiants should state how they gain a knowledge of the facts to which they testify.]

1857. Susan Holland the mother of Mary Jane Culberson had five children to wit: Mary Jane Culberson, JamesHolland of Oostanaula, Ga., John Holland, Richard Holland and Arrena Elizabeth Wesbrooks my wife. About the time I became acquainted with Susan Holland in 1857 I learned that she claimed to be a descendant of the Cherokee Indians. Her eyes were dark gray, hair was long and black, cheek bone was high and prominent and her complexion was of copperish color. Susan Holland died in Bartow County, Georgia about 1890. It has been a matter of family history that she was a descendant of the Cherokee Indians ever since 1857 to my knowledge Susan Holland always claimed the Indian blood and she was generally recognized by the people who knew her as being of Cherokee Indian descent.

Arrena Elizabeth Wesbrooks had only one child named Angeline and she married Charlie Burley and now lives in Bartow County, Georgia near Adairsville. Mrs. Burley has nine children.

Mary Jane Culberson married Columbus Culberson and she now lives near Adairsville, Ga. in Bartow County and has seven children as follows, Jim Culberson, Johnsen Culberson, John, Columbus, & Charlie B. Culberson, Susie Jeffries. Arrena Culberson a daughter now being dead.

I have known and associated with the Cherokee Indians and I know that Mary Jane Culberson is of Cherokee Indian descent just as I know the other Cherokee Indians.

Were they White and Indian or Indian & Negro? Was your father ever known as a slave or other than Indian? Please answer fully.

State of Georgia County of Pickens ss.

In the matter of the claim of Silas K. Carney No. 11363 to share in the fun appropriated by Act of Congress of June 30, 1906 in favor of the Eastern Cherokee Indians.

ON THIS 17th day of February A. D. 1908, personally appeared before me, a the Ordinary ✱ in and for the aforesaid County, duly authorized to administer oaths, George W. Burrell age very old years, a resident of near Jasper in thn County of Pickens and State of Georgia.

well known to me to be reputable and entitled to credit, and who, being duly sworn declares in relation to aforesaid case as follows :

I knew Elizabeth King when she was a young lady and knew her in Dickens District South Carolina where she was living with her Father Stephen King. Stephen King was the son of Fisher King who was an eastern Cherokee Indian and lived in Pickens County.

[NOTE.—Affiants should state how they gain a knowledge of the facts to which they testify.]

I have often heard my father, Bright Burrell, speak of Stephen King and he said that Stephen King was a Cherokee Indian by blood and I know that the Cherokee Indians recognized Stephen King as a Cherokee Indian. Stephen King and wife Clara King had the following children to wit: Elizabeth King, Terrel King, James King, and Katie King.

Elizabeth King married Edmond T. Carney and later on moved to Georgia. Silas K. Carney is a son of Elizabeth Carney and Edmond T. Carney. I have heard Cherokee Indians state that Stephen King was a Cherokee Indian but, that he ought not to be taken from his home. I was born in Macon County, North carolina near the point where North Carolina, South carolina and Georgia join and I lived only a few miles away from where Stephen King and his family lived. I was a good size boy when the Indian were taken to the Indian Territory in 1838 but do not know my exact age. I do know however that Stephen King was recognized by the Cherokee Indians as being a Cherokee Indian, none of these people now living.

H His Post Offiee address is Jasper, georgia.

He further declares that he has no interest in said case and is not concerned in its prosecutfon.

Ans. No. 15216 December 5, 1907.

Aaron T. Carney
Shady Dale, Ga.

Sir:-

Relative to your claim No. 15216, to participate in the [illegible] arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, it appears from your application that your father Aaron T. Carney and Elizabeth Carney were born in South Carolina, and that you were born in that State in 1844.

Where did your parents live in 1835 and were they then living in Georgia and that part of Georgia? Why was not your father, Elizabeth Carney, enrolled in 1835? Why was she not enrolled in 1851? Why were you not enrolled in 1851?

If living in 1835, where did your grandmother, Clara King nee Ridenger, reside at that time? Why was she not enrolled in 1835? Was your grandmother, Clara King, through whom you claim Cherokee descent, ever recognized as a Cherokee Indian during her life-time?

Were your uncles, Terrell King, James King and Malcolm King, and your aunt, Ellis Carney, brothers and sister of your mother, Elizabeth King, ever recognized Cherokee Indians? If so, why were they not enrolled with the tribe in 1835-6 and 1851?

Were you ever married? If [illegible]

App. No. 15316 December 5, 1907.

J. C. De Putron, Esq.,
Washington, D. C.

Sir:-

Kindly note the enclosed letter addressed to Aaron P. Turner of Sharp Top, Ga., and if you will please forward to your client at his endeavor to have him make full answer to all the questions contained therein.

Very respectfully,

Special Commissioner.

You further state in your application that your grandmother, Clara King, was dead in 1851. Your brother, Silas K. Carney, in reply to this query, states that in 1851 his grandparents lived in Pickens County, S. C., while your son Gordon W. Carney, states they lived in Dawson County, Ga. in 1851. Freeman Carney, another son of yours, states that in 1851 they lived in Cherokee County, Ga., with the modification that he thinks King, Clara's husband, was dead at that time.

If Clara King, your grandmother, was living in 1851, when and where did she die?

As your name does not appear to be on the roll of Special Agent Hester in 1884, at which time a census was made of the Cherokee Indians residing east of the Mississippi River, nor the name of the descendants of Clara King living at that time, it would appear as an incident to this inquiry, that you made no claim for Cherokee recognition at the time of completing the Hester census.

In reply to Question 14 in your application, you say that you have been enrolled for annuities, land and other benefits. Please state when and where as to the character of such enrollment. Answer this question fully.

The Secretary of the Court claims by virtue of which this present action Cherokee enrollment is being made, specifically directs that only such parties shall be enrolled "as shall establish the fact that they were members of the Eastern Cherokee Tribe of Indians at the date of the treaties of 1835-6 and 1846, or descendants of such persons.

In conclusion, you are advised that none of the ancestors named in your application appear to have been enrolled at the time of the treaty of 1835-6, nor in 1851. Neither is there any other evidence tending to show their connection with the Eastern Cherokee Indians at those periods.

It will be necessary, therefore, that those who claim right to participate in the judgment of this Court in favor of the Eastern Cherokee Indians, must establish by good and sufficient evidence their connection with the Eastern Cherokees at the time of the treaties of 1836 and 1846, or are descended from such Cherokee ancestors who were so recognized at that time.

Very respectfully,

Special Commissioner.

In the matter of the claim of Bertie M Killingsworth et al for participation in fund appropriated by Congress June 30, 1906, for Eastern and Emigrant Cherokee Indians and their descendants.

On this 31st day of July A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for aforesaid County, duly authorized to administer oaths, James Harralson, aged 80 years, a resident of Webb City, Jasper County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn on his oath, declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time. He came from Lenoir or Monroe County, Tennessee, and located and settled near what is now known as Brighton, Polk County, Missouri on or about the year of 1836 or 1837. He came to said Polk County two or three years before his death. The said Alexander Brown when I first knew him lived in Tennessee. I have heard that he came to Tennessee from Georgia. He lived about a mile from where my father lived in Tennessee. I knew said Alexander Brown from the time I was old enough to remember any one until his death. He visited my father and my father visited him quite often. His family and my father's family visited back and forth quite often. His children and my father's children played together often and the two families were intimately acquainted with each other. I have a very clear and destinct recollection of hearing the said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians prior to his leaving Tennessee. I saw him and was intimately acquainted with him both in Missouri and Tennessee. Said Alexander Brown was a tall broad shouldered man, rather slim, high cheek bones, dark complexion with black hair and eyes. He said his children were generally known and recognized and reputed to be part Cherokee Indian. They had the appearance of being part Indian. I have heard Alexander Brown and also his children say that he was a half blood Cherokee Indian and they always claimed to be of Indian blood.

Said Alexander Brown's remains were burried at the Brock Grave Yard near Brighton in Polk County, Missouri. It was the general talk among the neighbors and children of said Alexander Brown that he was a half blood Cherokee Indian and that his name was on the roll of Cherokee Indians. I recollect that he was called by the Indian nick name of "Ewanee". When he left Tennessee and came West he was accompanied by a number of families.

I have no interest in said case and am not concerned in its prosecution.

Said Alexander Brown was the father of the following named children: Thomas Brown, Dicie (Brown) Bender, Isom Brown, Zach Brown, Sarah (Brown) Hambelton, who was also called "Sally" Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annis (Brown) Pace and Violet (Brown) Ruth.

Said Sarah (Brown) Hambelton was the mother of Martha E Harralson whose maiden name was Martha E Hambelton who was the mother of Jackey Louisa Burke whose maiden name was Jackey Louisa Harralson who is the mother of Bertie M Killingsworth whose maiden name was Bertie M Burke aged 19 years who now resides in Joplin Greene County Missouri personally known above named parties & also knows that Bertie M Killingsworth is the of said Bertie M Killingsworth.

In the matter of the claim of Bertie M Killingsworth et al for participation in fund appropreited by Congress June 30, 1906, to Eastern and Emigrant Cherokee Indians and their descendants.

On this 30th day of July A. D. 1906, personally appeared before me Orville E. Gorman, a Notary Public in and for the aforesaid County, duly authorized to administer oaths, Russell Stokes, aged 86 years, a resident of Springfield Greene County, Missouri, whose post office address is 2130 Taylor Street in Springfield, Greene County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn declared in relation to aforesaid case as follows:

I was well acquainted with and knew Alexander Brown during his life time from and after the time he came to Polk County, Missouri, which was about the year of 1835 or 1836, until the death of said Alexander Brown, which occured about the year of 1837 or 1838. Said Alexander Brown located and settled near what is now known as Brighton, Polk County, Missouri, and lived there continuously from the time he came to Missouri until his death. His remains were burried at what is now known as the Brock Grave Yard, near Brighton, Polk County, Missouri. During the time above mentioned, the said Alexander Brown and I lived in the same settlement as neighbors. We saw each other and were together quite often. We have fished together and have had many conversations together and became intimately acquainted.

The said Alexander Brown told me that he was a Cherokee Indian--my recollection is that he told me that he was a half blood Indian, and that he came to Missouri from Tennessee. He was recognized and reputed by all who knew him to be a Cherokee Indian. He told me that he had his papers showing his Indian Rights, and that his name was on the roll of Cherokee Indians. The said Alexander Brown always claimed to be a half blood Indian, and all his children claimed to be part Cherokee and were recognized and reputed to be such by all who knew them.

The said Alexander Brown was a very tall broad shouldered man, rather slim with dark hair and eyes and was of dark complexion.

I have no interest in this case and am not concerned in its prosecution.

Alexander Brown aforesaid had the following named children; Sally(Brown)Hambelton, Dicie(Brown)Fender, Isom Brown, Violet(Brown-Ruth, John Brown, Elizabeth(Brown)Ruth, Thomas Brown, Susan(Brown) Procter, Zach. Wm. Bedford Sherrill,

Whittier, N.C.

Sir:-

Relative to your application for particd pation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee Indians, you are advised that it appears from your application that you claim to be of Eastern Cherokee descent through your mother, Mary Hyatt Sherrill, daughter of Elisha and Rosanna Hyatt, and through Elisha Hyatt back through Ned (or Edward) and Hannah Hyatt, and through Edward and Elizabeth Leatherwood to Betsy (or Elizabeth) Walker.

It further appears from your application that you were born in 1848, and, therefore, were living at the time of the enrollment of the Eastern Cherokees in 1851, and further that your mother was living in 1851. Will you please state why you were not enrolled with the Eastern Cherokees in 1851, and why your mother was not enrolled in 1851? It also appears that your mother and your grandparents were living in 1835, but it does not seem that they were enrolled with the Eastern Cherokees in 1835. Please give the reason why your mother and her parents were not enrolled with the Eastern Cherokees at that time. Was your grandmother, Rosanna Hyatt,

a white woman or negress? Was your mother held as a slave, and, if so, did she belong to a white man or a Cherokee Indian? Were you ever held as a slave, and, if so, did you belong to a Cherokee Indian?

Your prompt reply will be appreciated.

Very respectfully,

Special Commissioner.

On this 30th day of July A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public and and for the aforesaid County, duly authorized to administer oaths, Russell Stokes, aged 86 years, a resident of Springfield, Greene County, Missouri, whose post office address is #2150 Taylor Street in Springfield, Greene County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn declared in relation to aforesaid case as follows:

I was well acquainted with Alexander Brown during his life time, from and after the time he came to Polk County, Missouri, which was about the year of 1835 or 1836, until his death, which occured about the year of 1857 or 1858. Said Alexander Brown located and settled near what is now known as Brighton, Polk County, Missouri, and lived there continuously from the time he came to Missouri until his death. His remains were burried near Brighton, Missouri, at what is now known as the Brock Grave Yard. During the time above mentioned, the said Alexander Brown and I lived in the same settlement as neighbors. We saw each other and were together quite often. We fished together and had many conversations together and became intimately acquainted.

The said Alexander Brown told me that he was a Cherokee Indian--my recollection is that he said he was half blood Cherokee Indian and that he came to Missouri from Tennessee. He was recognised and reputed by all who knew him to be a Cherokee Indian. He told me that he had his papers showing his Indian Rights, and that his name was on the roll of Cherokee Indians. The said Alexander Brown has always claimed to be a half blood Indian, and all his children claimed to be part Indian and were recognised and reputed to be such by all who knew them.

Alexander Brown aforesaid was a very tall broad shouldered man, rather slim with dark hair and eyes and was of dark complexion.

I have no interest in said case and am not concerned in its prosecution.

Said Alexander Brown had the following named children: Sally(Brown)Hambelton, Dicie(Brown)Fender, Isom Brown, Violet(Brown) Ruth, John Brown, Elizabeth(Brown)Ruth, Thomas Brown, Susan(Brown) Proctor, Zach? In the matter of the claim of Rina I Stoker et al for participation in fund appropriated by Congress June 30, 1906, for Eastern and Emigrant Cherokee Indians and their descendants.

On this 31st day of July A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for aforesaid County, duly authorized to administer oaths, James Harralson, aged 80 years, a resident of Webb City, Jasper County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn on his oath, declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time. He came from McMinn or Monroe County, Tennessee, and located and settled near what is now known as Brighton, Polk County, Missouri on or about the year of 1836 or 1837. He came to said Polk County two or three years before his death. The said Alexander Brown when I first knew him lived in Tennessee. I have heard that he came to Tennessee from Georgia. He lived about a mile from where my father lived in Tennessee. I knew said Alexander Brown from the time I was old enough to remmember any one until his death. He visited my father and my father visited him quite often. His family and my father's family visited back and forth quite often. His children and my father's children played together often and the two families were intimately acquainted with each other. I have a very clear and destinct recollection of hearing the Said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians prior to his leaving Tennessee. I saw him and was intimately acquainted with him both in Missouri and Tennessee. Said Alexander Brown was a tall broad shouldered man, rather slim, high cheek bones, dark complexion with black hair and eyes. He said His children were generally known and recognized and reputed to be part Cherokee Indian. They had the appearance of being part Indian. I have heard Alexander Brown and also his children say that he was a half blood Cherokee Indian and they always claimed to be of Indian blood.

Said Alexander Brown's remains were burried at the Brock Grave Yard near Brighton in Polk County, Missouri. It was the general talk among the neighbors and children of said Alexander Brown that he was a half blood Cherokee Indian and that his name was on the roll of Cherokee Indians. I recollect that he was called by the Indian nick name of "Swanee". When he left Tennessee and came West he was accompanied by a number of families.

I have no interest in said case and am not concerned in its prosecution.

Said Alexander Brown was the father on the following named children: Thomas Brown, Dicie (Brown) Fender, Isom Brown, Zach Brown, Sarah (Brown) Hambelton, who was also called "Sally" Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annis (Brown) Pace and Violet (Brown) Ruth. In 1881 we were living here also. I did not hear of any roll of the Cherokees at that time. I had a brother born in 1855, he was born here in Lakelonega, Dawson Co., Ga. My father did not have any Indian blood as I know of. I don't know why my mother was not driven away in 1837 when the Indians were driven away. I have heard my mother speak of the time that the Indians were driven away. My father and mother were living with the white people here when my oldest brother and I were born. I have never heard my mother speak about living with the Indian tribe. I have heard her speak about their coming to the house and trading. I know Lilley A. Crow. She is my first cousin. Madam:

You claim a right to share in the distribution of the Eastern Cherokee fund through your mother, Elizabeth Godfrey, who you state lived in North Caroline in 1851. Why was she not enrolled with the Eastern Cherokees at that time; neither the name Elizabeth Godfrey nor Elizabeth Cool can be found on any Eastern Cherokee roll.

Do you know why your grandparents were never enrolled with the Eastern Cherokees

Was your grandmother on your mother's side or was your mother ever held as a slave? If so, were they owned by white people or Cherokees

Please give this matter prompt attention and refer in your reply to the number of your application.

Very respectfully,
